

9.1.2020

Joseph's People Members,

Due to the current COVID-19 health crisis, Joseph's People has made the strategic decision to place our physical meetings on hiatus. **There will be no in-person meetings of Joseph's People Chapters until we are physically able to do so.**

Joseph's People is utilizing Zoom to conduct Chapter meetings. These interactive meetings are led by Job Search Experts. Chapter meetings educate and motivate our members to more effectively navigate their career transition and job search.

With Chapter meetings held virtually via Zoom, all Joseph's People members are encouraged to register and attend any Chapter meeting. Meeting announcements and directions to attend Joseph's People Chapter meetings can be viewed through the Joseph's People Calendar at <https://josephspeople.org/events-calendar/>.

Joseph's People remains available to be your job search resource. Directions to contact Joseph's People and our many resources for job seekers can be found on the Joseph's People website www.JosephsPeople.org.

This information includes:

- Email Addresses to contact each Chapter Leader
- The many Job Search Guides, Videos, and Information that are within the Resources Page. Special attention should be given to the critically acclaimed [Blue Resource Guide](#) and the [Journey Handbook](#) also accessible from the [Resource Page](#).
- Specific questions can be addressed through the Help Line 610-873-7117 and Email ContactUs@JosephsPeople.org
- Prayers can be requested through the hyperlink on each page of our website

The current health crisis contains many uncertainties. What remains certain is that Joseph's People is here to help you.

Best regards,

Ernie Russom, President
Joseph's People

Ernest W. Russom III, President
